ABOUT THE MMRA

The MMRA was formed in early 2003 to address residents' concerns about the phenomenal growth that the Town of Mississippi Mills was facing.

The Mission Statement of the MMRA reads:

"We believe that Mississippi Mills is a special place to live and we want to preserve its qualities and improve them wherever possible. To that end, the Residents' Association will create a forum to engage all residents in an on going dialogue about the challenges, problems and opportunities we face. We will strive for a shared vision of our future and we will promote the means to achieve that vision."

To this day, a number of issues, projects, and developments are under consideration which will have a HUGE impact on the character of our town.

A strong cohesive voice is needed to ensure that we protect and enhance all that we love about Mississippi Mills.

Learn more about the MMRA and your community by becoming a member. The membership form is on the back.

Join Us!

WE NEED YOU

as a member of the

Mississippi Mills Residents' Association!

(MMRA)

Come join a concerned group of fellow residents and discuss **IMPORTANT** community challenges and solutions.

Together we can make a difference
